Trainer Profiles

David Gibson
Director, Environmental Services
Chemonics International
dgibson@chemonics.com

Mr. Gibson is a conformity assessment specialist with 30 years of experience supporting sustainable agriculture and natural resources management. Mr. Gibson specializes in conformity assessment of environment, social and food safety systems and the establishment of remedial actions to improve export competitiveness at the firm, association, and national standards agency levels. Mr. Gibson has designed and implemented quality, environment, food safety, and social responsibility systems in 10 countries and has developed auditor training across numerous sectors including agrifood; fisheries and aquaculture; forest and wood products; hotels and tourism facilities; and water and sanitation systems in five countries. Mr. Gibson is an accredited assessor in environmental management systems (ISO 14001), occupational health and safety (OHSAS 18001), organic production and processing (NOP), social accountability (SA 8000), sustainable tourism (Green Globe 21), sustainable forestry (FSC) and food safety management systems (ISO 22000).

Mr. Gibson received an MSc in forest land use planning from Yale's School of Forestry and Environmental Studies and a BS from Colorado State University in Wildlife Biology.

Alan Schroeder
Integrated Pest Management and Pesticide Management Specialist
The Cadmus Group, Inc
aschroeder33@comcast.net

Dr. Alan C. Schroeder has over 17 years of international experience on pesticide safety and management; agricultural value chain (best practices from production to market); environmental & social best practices; and management in Africa, Latin America, Eastern Europe, the Middle East, and Asia. He is a world-recognized pesticide and locust plague management expert, and also has extensive experience with phytosanitary, organic and bio-intensive certification issues for international trade. He has also worked on projects involving ISO 14001, EurepGAP, codes of conduct, and CP/P2 for micro and small enterprises.

Dr. Schroeder received an Executive MBA from the Anderson School of Management at the University of New Mexico and a PhD in Entomology from the University of Illinois.
